Submit

Password 8 characters or more  
Include at least 1 upper case letter  
Include at least 1 number  
Include at least 1 special character:  
Include at least 1 lower case letter  
( ! @ # % \$ & \* \_ + = ( ) [ ] { } \ ; , . / ? )

## NOT CURRENTLY ENROLLED? HERE'S WHAT YOU'LL DO:

1. Log in to SCCCU online banking ([www.scccu.org](http://www.scccu.org)) or download the SCCCU app from Google Play or the iOS App Store.
2. Select “New User? Register Here.”
3. Accept/Decline the Terms and Conditions Agreement.
4. Verify your identity using your Social Security Number, Date of Birth and SCCCU Membership number.
5. Enter an authentication code sent to you via text or phone call (whichever you select) when prompted.
6. Create your username and password.

You're ready to use SCCCU's online and mobile banking. **Start banking your way today!**

## CURRENTLY ENROLLED? HERE'S HOW TO ACCESS YOUR ACCOUNTS:

The image displays three sequential screenshots of the SCCCU online banking interface. The first screenshot, labeled 'MEMBER LOGIN', shows a login form with fields for 'Username' and 'Password', a 'Save?' checkbox, and links for 'Forgot Username or Password' and 'New User? Register Here'. Below the form is a large orange 'LOG IN' button. The second screenshot, labeled 'VERIFICATION', shows a message: 'An authentication code has been sent to the following phone number ###-###-2447. Please enter this authentication code below.' Below the message is a text input field and two buttons: 'Back' and 'Verify'. The third screenshot, labeled 'PASSWORD', shows a 'Choose New Username and Password' form with fields for 'Username', 'Email', 'Password', and 'Confirm Password'. Below the 'Password' field is a list of password requirements: 'Password 8 characters or more', 'Include at least 1 upper case letter', 'Include at least 1 number', 'Include at least 1 special character', and 'Include at least 1 lower case letter'. A character set '( @ # % \$ \* & \_ - + = () ! | \ : ; , . / ? )' is listed below the requirements. A 'Submit' button is at the bottom.

1. Log in to SCCCU online banking or download the SCCCU app from Google Play or the iOS App Store. (**NOTE:** If you haven't downloaded the SCCCU app since April 21, 2020, you will need to download the updated app to use mobile banking.)
2. Accept/Decline the Terms and Conditions Agreement.
3. At this point, there are three options available based on your existing use of SCCCU's online and mobile banking: 1) If you currently use online banking but not mobile banking, use your online banking credentials to log in; 2) If you currently use mobile banking but not online banking, you'll be able to use your mobile banking credentials to log in; or 3) If you use both online and mobile banking, use your mobile banking credentials to log in.
4. Verify your identity with an authentication code sent to you via text or phone call (whichever you select.) Enter that code when prompted.
5. You can either use your existing username and password, or update both. We recommend updating your username and password as it's good security practice to update both regularly.
6. Enter the SCCCU online banking platform and mobile app and start banking your way!
